

Public Internet Access in Counties Served by Colorado Legal Services, Ft. Collins Office

Public Libraries

(A librarian might help you use the computer and access the Internet. They can not give out legal advice or help you with your legal problem.)

Public libraries offer Internet access for free. Call them for their hours. Ask whether you need a library card or how to apply for one, and take some change in order to print out any copies.

**In 2005-6 Colorado Legal Services collected surveys from locations where there may have been free public access to the Internet. Although efforts were made to be comprehensive, this is not a complete list. If you are familiar with an access point that is not listed on this page, please send an email to mfrench@colegalserv.org.
